

Boca Raton Cosmetic Surgeon Raising Funds for Children's Center

Boca Raton, FL — On November 16th in Boca Raton at the Smokin' Hair Happy Hour, Charles Medical Group and Prime Cigar and Wine Bar hope to bring together local residents for a party with a purpose.

“ As a father of three, I have felt an overwhelming need to give back to the youth in South Florida. After researching several foundations, Broward Children's Center really drew me in and I stand fully behind their cause. I am happy to donate a high value item hoping it brings more people together to donate to such a valuable resource in our community.”

A \$20 donation to Broward Children's Center (BCC) offers attendees a complimentary cocktail, hors d'oeuvres and entry into our Door Prize Raffle which includes a FREE Robotic Hair Restoration Procedure valued at \$12,000 & other fantastic items.

100% of the registration fee donations will help local nonprofit organization Broward Children's Center provide medical, developmental and therapeutic services for children and young adults challenged with disabilities.

“Now more than ever our community's support is essential because the funds raised will aid our efforts to nurture and educate some of the most at-risk young people in our community by ensuring that they receive every opportunity to maximize their potential ,” said Broward Children's Center CEO, Marjorie Evans.

For over 40 years Broward Children's Center has been a haven for infants, children and young adults with special needs and medically complex conditions between the ages of birth and 21 years. The nonprofit's mission is to provide a continuum of care, including a medical, educational, therapeutic, and recreational care, to increase the quality of life to the BCC service population and their families.
